

BULLYING AND CYBERBULLYING REPORTING PROCEDURES

If a student or parent believes that the student has experienced bullying or cyberbullying as defined by the Texas Education Code 37.0832 or has witnessed bullying or cyberbullying of another student, it is important for the student or parent to notify a teacher, counselor, Campus Facilitator, or another district employee as soon as possible. The student may also report the incident anonymously to the school.

Any Pegasus employee who suspects or receives notice that a student or group of students has or may have experienced bullying and/or cyberbullying shall immediately notify the Campus Facilitator.

A report may be made orally or in writing.

If a parent or student wants to file a report anonymously, mailboxes are available on each campus in which to place the anonymous report. No special form is required to report bullying or cyberbullying.
